Tip of the Month

The "Active Under Contract" status is for properties that have an accepted contract and the seller has instructed the agent to keep marketing and showing the property. Also, use this status if there is a kickout contingency.

Committee Members Needed

There is a list of committees on our website SGARealtors.org.

Volunteering on a committee is a great way to stay informed and help the association continue to provide the events and education to our members.

RPAC

Each day a Realtor faces challenges that can make it difficult to run a successful business. Sometimes, the source of these challenges can be government policies. You can make a difference for yourself and people in the community by investing in RPAC. It is only \$25 a year to protect the real estate industry and your career. Please consider pledging your investment. You can pledge online at SGARealtors.org under the member links tab.

Support Our Affiliates

Our Affiliate members give so much to our association. Please consider showing support for them. Visit our website SGARealtors.org and click the "Other Useful Links" for a complete list of our affiliate members.
