

### Education Committee

The Education Committee has been working hard to provide educational classes at our association office every month. Last month's topic on Residential Sale Contracts was a huge success. Don't miss this month's class on March 21st at 11:30 a.m. in the SGAR Classroom. Contract Riders will be the topic. These classes are completely free of charge and open to all members of the association. If you are interested in joining the Education Committee, the committee meets as needed each month. Contact the association office for dates and times.

### Donations Needed

You don't have to put together a big gift basket. Any items are appreciated for our events. Please consider donating these items to the association to be used as auction items at our big events. 1/2 of the profits from the auctions in 2019 will be donated to Ride on St. Louis.
